Sports Outreach/Camp Spark - This program provides opportunities for children, youth, adults and military veterans who are blind and visually impaired to become introduced to sport and physical activity. Participants participate in a variety of sports including goalball, judo, beep baseball, beep kickball, powerlifting, track and field, tandem cycling, swimming, skiing, dragon boating, kayaking, paddle boarding, hiking, and more. The organization operated 83 Sports Outreach Program experiences during the fiscal year and delivered more than 1,000 program and services interactions. Most of the nearly 56,000 school-age children who are blind have never experienced any type of physical activity, this program is critical because it helps participants build confidence, enhance self-esteem, develop long-lasting friendships, improve their physical and muscular strength, and empowers them to excel in all areas of life. NWABA's residential camp program, Camp Spark, provides opportunities for children and youth, 8-15, with visual impairments the opportunity to participate in camp on a university campus or campground. This program impacted 71 children and youth through four sessions and early 438 hours of direct program service.

Sports Teams Program/Sports Adaptations - The Sports Teams Program provides children, youth, adults and military veterans who are blind and visually impaired with the opportunity to participate in sports and physical activity on an on-going basis through one of our on-going sports teams. During the fiscal year, the program provided youth programming throughout the State of Oregon and adult programming in Clark County, WA/Portland, OR; Seattle, WA, and Boise, ID. In FY19-20, 53 individuals who are blind or visually impaired were served through the Sports Team Program and 1200 program service hours were delivered. This program helps to combat the 70% nationwide unemployment rate among adults with visual impairments by

building confidence, enhancing self-esteem and instilling the tools they need to be successful in all areas of life including school and employment. The Sports Adaptation Program provides adaptations to blind and visually impaired students, adults, family members, teachers, and community organizations about how to adapt sports for individuals who are blind and visually impaired. This program impacted 174 individuals through 166 adaptations and 146 pieces of equipment lent in the year ending June 30th, 2020.

Form 990, Part III, Line 4d - Other Program Services Description

Scholarship/Grants Program - Our Scholarship Program awards grants to provide opportunities for children, youth, adults and military veterans who are blind and visually impaired the opportunity to attend local, regional, national, and international competitions. The program also provides funding to allow individuals to purchase equipment such as running shoes and adaptive aids to help them achieve their goals. In FY19-20, scholarships were awarded to individuals with visual impairments. This program is critical because approximately 70% out of more than 1 million people nationwide who are blind are unemployed. Without our Scholarships/Grants program, many individuals would never have the opportunity to participate.

The remaining Board or Executive Committee members shall decide if a conflict of interest exists.

After exercising due diligence, the Board or Executive Committee shall determine whether NWABA can obtain with reasonable efforts a more advantageous transaction or arrangement from a person or entity that would not give rise to a conflict of interest. If a more advantageous transaction or arrangement is not reasonable possible under circumstances not producing a conflict of interest, the Board or Executive Committee shall determine by a majority vote of the disinterested directors whether the transaction or arrangement is in NWABA's best interest, for its own benefit, and whether it is fair and reasonable. In conformity with the above determination, it shall make its decision as to whether to enter into the transaction or arrangement.
